Delivered more than 300 lectures on Opportunities in Basic sciences

Research Interests:

Synthetic Organic chemistry,

Chemistry of Natural products

Bio organic chemistry

Novel antifungals ,DRUG DISCOVERY

DNA diagnostics and therapeutics

Professional experience

National Chemical laboratory Pune , (1973-2007)

Scientific officer ,deputy director

Indian Institute of science education and research Pune (2006-till date)

Visiting and adjacent faculty ,Honorary advisor

Indian Institute of science education and research Tirupati (2014 onwards)

Task force member

Publications /seminar presentations

>150

Patents :4

Awards

- Life time achieved award Labdhi Research Development and Education (RDE) (Rs. 1,00000) awarded by Labdhi foundation Gujrat(India)
- Life time achieved award of Rs,1,00,000 by VG Trust Pune
- Life time achievement award, awarded by a consortium of North Maharashtra University titled Golden Opportunities for latest developments in Chemistry and Technology.(GOLD –CJ) (2014)
- Life time achievement awards, by SIR foundation Solapur, Surydatta research award Pune , BNP Pune ,PM memorial committee Pune and Milenium institutes Pune
- Member of several policy committees, Task force, selection committers, academic councils ,senates and professional bodies

MAINLY INVOLVED IN THE UPBRINGING OF THE UNDERPRIVILEGED, TRIBAL, FEMALE AND NORTH EAST STUDENTS TO THE MAINSTREAM OF EDUCATION AND HEALTH.
